

I CARRY  
MY FUTURE,  
NOT MY PAST.

BRITISH INTERNATIONAL CURRICULUM

# The UK Pathway

The British Curriculum is one of the most respected education pathways in the world, built around academic rigour, critical thinking, and real university preparation.

Accredited by

**Pearson  
Edexcel**

**IGCSEs &  
International A-Levels**

Globally recognised qualifications

## Your journey. Three stages.

01

**Lower Secondary** Ages 12-14

Strong foundations in English, Maths, Science, and Humanities, with critical thinking and study skills.

02

**International GCSEs** Ages 16-18

Broad subject choices aligned with global standards, interests, and goals.

03

**A-Level's** Ages 16-18

Advanced deep-focus study. Builds independent research and analytical thinking for university worldwide.

Learn anywhere.  
*Belong* everywhere.

## How it's delivered.

### HYBRID LEARNING MODEL

Learners combine online lessons with in person sessions at Bloom Chiang Mai, balancing flexibility with human connection.

Online: BGA platform, anywhere In-person: Bloom Chiang Mai

### MENTORSHIP & LEARNING GUIDES

Every learner at Bloom Chiang Mai is supported by a dedicated Learning Guide who tracks progress and wellbeing.

- Weekly 1-to-1 check-ins with your Learning Guide
- Academic instructors for subject depth and guidance
- Progress reports shared with parents regularly

### AI-ASSISTED LEARNING

Custom AI tools adapt to each learner and give mentors more time for meaningful guidance.

- Personalised pacing and progress tracking
- AI tutoring support between sessions
- Technology supports, never replaces, human guidance

Where it can take your child

## University Destinations.

IGCSEs and A Levels are accepted universities across the UK, US, Europe, Australia, Canada, and beyond. BGA learners have progressed to:

- UC Berkeley
- University of London
- University of Amsterdam
- Erasmus University Rotterdam
- University of Washington
- University of Greater Manchest

...and over 140 accredited universities worldwide.

## FLEXIBLE BY DESIGN.

Supporting learners balancing academics, passions, and real world experiences.

- Critical Thinking
- Communication
- Creativity
- Independence
- Digital Fluency

## ACADEMIC PATHWAYS

### 01 | Are IGCSEs and A-Levels internationally recognised?

Yes. Pearson Edexcel IGCSEs and A-Levels are globally recognised qualifications accepted by universities in the UK, US, Europe, Canada, Australia and beyond.

### 02 | Can learners apply to universities overseas?

Yes. Learners completing the British pathway may apply to universities worldwide, including institutions in the UK, US and Europe.

### 03 | What qualifications will learners receive?

Learners may work toward internationally recognised Pearson Edexcel IGCSE and A-Level qualifications.

### 04 | Are university applications and preparation supported?

Yes. Learners receive guidance with university pathways, academic planning and future preparation throughout their learning journey.

### 05 | Can students transfer from other schools?

In many cases, yes. Academic background and transcripts may be reviewed to support transitions into the programme.

## LEARNING EXPERIENCE

### 07 | How is BGA different from traditional schools?

BGA combines flexible learning, mentorship, project based experiences and internationally recognised academics in a more personalised environment.

### 08 | What type of learner thrives here?

Curious, independent learners who benefit from flexibility, creativity, smaller communities and modern learning approaches often thrive in this environment.

### 09 | Is there structure and academic support?

es. Learners are supported through mentors, educators, learning guides and structured academic goals.

### 10 | How does the hybrid learning model work?

Learners balance online academic study with in person learning hub experiences, including mentorship, workshops, collaborative projects and discussions.

## COMMUNITY & FLEXIBILITY

### 11 | Can learners balance sports, travel or creative pursuits?

Yes. The flexible structure supports learners pursuing athletics, entrepreneurship, travel, arts and other personal interests.

### 12 | Can learners move between international hubs?

Yes. BGA's international hub model allows learners to transition between participating hubs in different countries.

### 13 | Why might the British Curriculum suit my child?

The British Curriculum supports academic depth, critical thinking, subject flexibility and strong university preparation.

### 14 | What makes this pathway unique?

Accredited British qualifications combined with mentorship, flexible scheduling, global mobility and personalised education for modern families.
