

# The US Pathway.

Your child does not need to fit into a rigid system anymore. A flexible, accredited American curriculum designed for modern learners and globally mobile families.

## Your journey. Three pillars.

- 01**  **Accredited US Diploma**  
Earn a fully accredited American High School Diploma accepted by universities worldwide.
- 02**  **Personalised & Flexible**  
Learn at your pace with flexible scheduling built around your goals, interests and life.
- 03**  **University & Beyond**  
Guidance, preparation and pathways to top universities in the US and around the world.

**Learn anywhere.**  
*Belong* everywhere.

## How learning works.

### ONLINE + MENTOR SUPPORT

Live online classes, recorded lessons and resources with dedicated mentors and regular check-ins.

Online: BGA platform, anywhere | In-person: Bloom Chiang Mai

### PERSONALISED GUIDANCE

Learning Coaches design a plan around each learner's strengths, goals and passions.

- Weekly 1-to-1 check-ins with your Learning Guide
- Academic instructors for subject depth and guidance
- Progress reports shared with parents regularly

### AI-ASSISTED LEARNING

AI-powered tools, progress tracking and curated resources to help learners learn smarter.

- Personalised pacing and progress tracking
- AI tutoring support between sessions
- Technology supports, never replaces, human guidance

Where it can take your child

## University Destinations.

BGA graduates are accepted to universities across the US and around the world.

- UCLA – University of California, LA
- NYU – New York University
- University of Greater Manchester
- Robert Gordon University

...and over 140 accredited universities worldwide.

## FLEXIBLE BY DESIGN.

Supporting learners balancing academics, passions, and real world experiences.

-  **Critical Thinking**
-  **Communication**
-  **Creativity**
-  **Independence**
-  **Digital Fluency**

### WHO THIS FITS BEST.

-  Self-motivated, independent learners
-  Students who need flexibility
-  Pursuing passions beyond school
-  Ready to take ownership of their education

## ACADEMIC PATHWAYS

- 01 | Is the US diploma internationally recognised?**  
Yes. Learners follow an accredited American high school pathway through BGA, recognised by universities around the world.
- 02 | Can learners apply to universities overseas?**  
Yes. Graduates may apply to universities in the US, UK, Europe and beyond, based on their academic profile and goals.
- 03 | Are SAT, AP and university applications supported?**  
Yes. Learners are guided through SAT, AP options, portfolio development and the full university application process.
- 04 | How are transcripts and GPA handled?**  
Yes. Learners receive official transcripts, GPA records and supporting documents for university applications and transfers.
- 05 | Can credits be transferred from other schools?**  
In many cases, yes. Previous academic credits may be reviewed and transferred based on transcripts and background.
- 06 | Is the diploma recognised internationally?**  
Yes. The accredited US diploma is internationally recognised and accepted by many universities worldwide.

## LEARNING EXPERIENCE

- 07 | How is BGA different from traditional schools?**  
BGA combines academic excellence with human centred learning, mentorship and flexibility in a smaller, more personalised environment.
- 08 | What type of learner thrives here?**  
Curious, self directed learners who benefit from flexibility, meaningful relationships and a modern approach to education.
- 09 | Is there structure and academic support?**  
Yes. Learners are supported through mentors, regular check ins, academic planning and guided progress systems.
- 10 | How much mentor support is included?**  
Learners receive ongoing mentor communication, scheduled check ins and access to academic support throughout.

## COMMUNITY & FLEXIBILITY

- 11 | Can learners balance sports, travel or creative pursuits?**  
Yes. Flexible scheduling allows learners to pursue athletics, entrepreneurship, travel, creative work and personal interests.
- 12 | How many learners are in each hub?**  
We keep our hubs intentionally small so every learner is known, supported and guided personally.
- 13 | What subjects and electives are available?**  
Learners study core American subjects alongside a range of electives and interest based learning pathways.
- 14 | What makes this pathway unique?**  
Accredited American academics combined with mentorship, global community, flexible scheduling and personalised education for modern families.
